LV = 762 Respondents, Margin of Error: +/- 3.6%

Q2 Now I am going to read you the names of a few people who have been in the news. For each one, if you have heard of the person, and have an opinion, tell me if your opinion is very favorable, favorable, unfavorable or very unfavorable. If you have heard of them, but don't have an opinion that is ok. And if you haven't heard of them. that is OK too.

A Fred Hubbell
